

Dr.VARUN REVURI

Associate Professor

Department: Computer Science & Engineering
Faculty ID: VEC-574
Designation: ASSOCIATE PROFESSOR
Years of Experience: 13 years
Employment Status: Full Time - Ratified by JNTUH
Email: revurivarun@gmail.com
Faculty Web/Blog:
LinkedIn Profile: www.linkedin.com/profile
DOJ: 02 February , 2017
Phone: +919949424425
Date of Birth: 24 June , 1985
Areas of Specialization: Cloud Computing, Big Data, Networking

Qualifications:

Degree	College/University	Year
Ph.D. in CSE	OPJS University	2017
PG Degree in CSE	JNTUH	2011
UG Degree in IT	JNTUH	2007

Subjects Taught:

Software Testing Methodology, Design Patterns, Web Technologies, Software Process and Project Management, Adhoc Sensor Networks, Network Programming, Mobile Application Development, Multimedia and Rich Internet Applications, Linux Programming.

Papers Published:

1. Augmenting Downlink Enactment in Wireless Networks by Simultaneous Multiple Packet Transmission, International Journal of Research (IJR), Nov 2016.
2. Enhancing Downlink Performance in Wireless Networks, International Journal of Research (IJR), Feb 2017.
3. Cloud Based Distributed Mobile Healthcare System for Preserving Privacy in Patient through Co-Operative Authentication, International Journal for Innovative Engineering and Management Research (IJIEMR), Feb 2017.
4. Detection of Intrusion by Using Behaviour Rule Specification Based Technique for Providing Security to MCPS, International Journal of Research (IJR) , Sep 2016.
5. A Joint Time Synchronization and Localization, International Journal of Research (IJR), Nov 2017.
6. Enquiry Enabled Resolve of Undefined Objects, International Journal of Research (IJR), Nov 2018.
7. Security Provided with Honest Detection of Packet Dropping Attacks in WANETS, International Journal of Research (IJR), Dec 2018.
