

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

ACTION TAKEN BASED ON STAKEHOLDERS FEEDBACK FOR ENRICHMENT OF CURRICULUM 2020-21

INTRODUCTION

The Institution collects Feedback on curriculum aspects and courses from different stakeholders like Students, Faculty ,Alumni and Employers. Once the feedback is analysed and valuable suggestions are given are considered.

Table.1 STUDENT FEEDBACK AND ACTION TAKEN REPORT

S.NO	QUESTIONS	ACTION TAKEN
1	How do you rate the coverage of the curriculum in catering to your professional needs?	E-Learning courses have been implemented for students to improve communication and to enhance their skills.
2	How do you rate the relevance of courses in the curriculum and it's contents?	Executed Real-Time Projects on IoT , Embedded system and MATLAB
3	How do you rate the relevance of the curriculum in relation to latest technology or emerging trends in the industry?	As per the recommendations from the students subjects like DBMS, Artificial Intelligence , PYTHON has been introduced in the curriculum based on the requests from students
4	How do you rate the coverage of the curriculum in catering to your professional needs?	Syllabus structured is reduced from 8 units to 5 units.
5	How do you rate the objectives stated and relevance to the course content?	The course objectives will be modified as per students feedback
6	How do you rate the value added courses offered to you in the curriculum?	Workshops on Job-oriented courses have been Organised
7	How do you rate the relevance of curriculum in carrier orientation?	Many Elective subjects were selected by students through which they can improve their Prograaming skills.

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

ACTION TAKEN BASED ON STAKEHOLDERS FEEDBACK FOR ENRICHMENT OF CURRICULUM 2020-21

Introduction

The institution collects feedback on curriculum aspects and courses from different stakeholders such as students, alumni, faculty and employers. Once the Feedback is analysed and there valuable suggestions given are considered and necessary actions are executed.

Table 1: Students Feedback and Action Taken Report

S.NO	FEEDBACK	ACTION TAKEN
1	How do you rate the coverage of the curriculum in catering to your professional needs?	E-Learning courses have been implemented for students to improve communication and to enhance their skills.
2	How do you rate the relevance of courses in the curriculum and it's contents?	Executed Real-Time Projects on IoT , Embedded system and MATLAB
3	How do you rate the relevance of the curriculum in relation to latest technology or emerging trends in the industry?	As per the recommendations from the students subjects like DBMS, Artificial Intelligence has been introduced in the curriculum based on the requests from students
4	How do you rate the relevance of completion of syllabus on time?	Provide all the materials, notes and PPT's required. Provide teaching lesson plans in the institute website.
5	How do you rate the objectives stated and relevance to the course content?	The course objectives will be modified as per students feedback
6	How do you rate the value added courses offered to you in the curriculum?	Extensive exposure and practical knowledge to be imparted to the future by the institute learning material, lesson plans, course notes, etc.
7	How do you rate the relevance of curriculum in carrier orientation?	Include more soft skills and technical subjects in the syllabus.

Principal

Vaagdevi Engineering College
Bollikunta, WARANGAL

Table 2: Alumni Feedback and Action Taken Report

S.NO	FEEDBACK	ACTION TAKEN
1	How do you rate the relevance of courses in the curriculum in attaining the required skills/competencies to your job?	Introducing skill oriented/Soft skill courses in coming syllabus revision
2	How do you rate the relevance of the courses in the curriculum and its contents	Requesting affiliating university for Removal of irrelevant courses from the curriculum & inclusion of new courses emphasizing on cutting edge technology and societal relevance.
3	How do you rate the relevance of the curriculum in relation to latest technology or emerging trends in the industry?	Introducing Job Oriented Elective courses and Open electives which is to be implemented in coming regulations
4	How do you rate the coverage of the curriculum in catering to your professional needs?	Requesting the affiliating university for change in curriculum and syllabi of courses.
5	How do you rate the objectives stated and relevance to the course content?	Apart from subject knowledge measures have been taken to provide additional inputs and Ideas of the concepts which are relevant to the current job market requirement with special focus on hands-on industry relevant practical experience and internship work/ project work.
6	How do you rate the value added courses offered you in the curriculum in developing disposition in your career?	Certificate courses in value added are to be started at College level.
7	How do you rate the relevance of the curriculum in carrier orientation?	Introducing internships which reduce the gap between industry and institution which is to be implemented in coming regulations

Table 3: Faculty Feedback and Action Taken Report

S.NO	FEEDBACK	ACTION TAKEN
1	How do you rate the coverage of the curriculum in catering to your professional needs?	A personality grooming lecture series was organized in the institute under the skill development program.
2	How do you rate the relevance of the courses in the curriculum in helping students to attain the expected program outcomes?	Faculty should discuss the topics in detail with clear practical live examples of the contents in your subject.
3	How do you rate the relevance of the curriculum in relation to latest technology or emerging trends in the industry?	More skill based elective courses / courses focussing on emerging trends.
4	How do you rate the relevance of value added courses offered to the students in the curriculum?	More Value Added Courses to be provided from 3rd year of study onwards.
5	How do you rate the facilities for delivering the course contents effectively?	Digital classes also to be conducted.
6	How do you rate the relevance of courses in curriculum in making students employable?	Trending technologies are choosed as electives.
7	How do you rate the usefulness of training given to you for effective teaching?	The Faculty members have to use modern teaching aids like PPT, Web resources the teachers have to pay attention to academically weaker students.

ACTION TAKEN BASED ON STAKEHOLDERS FEEDBACK FOR ENRICHMENT OF CURRICULUM 2019-20

Table 1: Students Feedback and Action Taken Report

S.NO	FEEDBACK	ACTION TAKEN
1	How do you rate the coverage of the curriculum in catering to your professional needs?	The Industrial training was brought in the curriculum which will impart the practical experience among the students.
2	How do you rate the relevance of courses in the curriculum and it's contents?	Organised Aptitude Communication Skills Workshop
3	How do you rate the relevance of the curriculum in relation to latest technology or emerging trends in the industry?	Providing skill based courses / courses on cutting edge technology
4	How do you rate the relevance of completion of syllabus on time?	Needs to Increase the lecture time to complete the syllabus.
5	How do you rate the objectives stated and relevance to the course content?	Curriculum helps to being sensitive and responsible of industry base job markets in the employment opportunities.
6	How do you rate the value added courses offered to you in the curriculum?	Workshops on Job-oriented courses have been Organized.
7	How do you rate the relevance of curriculum in carrier orientation?	Course structure and teaching methods were confident job the requirements of the job market.

Principal
Vaagdevi Engineering College

Table 2: Alumni Feedback and Action Taken Report

S.NO	FEEDBACK	ACTION TAKEN
1	How do you rate the relevance of courses in the curriculum in attaining the required skills/competencies to your job?	Soft Skill and Communication Courses Introduced
2	How do you rate the relevance of the courses in the curriculum and its contents	Encouraging students to pursue NPTEL courses.
3	How do you rate the relevance of the curriculum in relation to latest technology or emerging trends in the industry?	Aptitude skills tests / workshop for students are planned.
4	How do you rate the coverage of the curriculum in catering to your professional needs?	Faculties are instructed to use modern pedagogical tools like in teaching.
5	How do you rate the objectives stated and relevance to the course content?	Add-on courses which would augment the industry demand of the students to be introduced
6	How do you rate the value added courses offered you in the curriculum in developing disposition in your career?	Department has identified to run various certificate courses related to subject and in general to add value to the programme.
7	How do you rate the relevance of the curriculum in carrier orientation?	The courses emphasize on communication skills shall be more focussed

Table 3: Faculty Feedback and Action Taken Report

S.NO	FEEDBACK	ACTION TAKEN
1	How do you rate the coverage of the curriculum in catering to your professional needs?	Trying to conduct More interactions with experts and eminent personalities through lecture sessions.
2	How do you rate the relevance of the courses in the curriculum in helping students to attain the expected program outcomes?	Curriculum helps to being sensitive and responsible of industry base job markets in the employment opportunities.
3	How do you rate the relevance of the curriculum in relation to latest technology or emerging trends in the industry?	Providing skill based courses / courses on cutting edge technology.
4	How do you rate the relevance of value added courses offered to the students in the curriculum?	Value added courses/Workshops and job oriented courses may be introduced to equip students to meet the industrial needs.
5	How do you rate the facilities for delivering the course contents effectively?	Online classes also to be conducted in Google meet, Zoom cloud meeting.
6	How do you rate the relevance of courses in curriculum in making students employable?	It has been decided to organize a program to guide students on employment opportunities.
7	How do you rate the usefulness of training given to you for effective teaching?	Faculty members are motivated for attending workshops/FDP programmes.

Table 2: Alumni Feedback and Action Taken Report

S.NO	FEEDBACK	ACTION TAKEN
1	How do you rate the relevance of courses in the curriculum in attaining the required skills/competencies to your job ?	A high impetus is given on industry-academia interactions.
2	How do you rate the relevance of the courses in the curriculum and its contents	Short-term hands on training related to various aspects of electronics shall be executed.
3	How do you rate the relevance of the curriculum in relation to latest technology or emerging trends in the industry ?	More professional elective courses emphasizing on modern trends.
4	How do you rate the coverage of the curriculum in catering to your professional needs ?	Job oriented training in software in laboratories.
5	How do you rate the objectives stated and relevance to the course content ?	Incubation centre is developed to provide research and training support to the start-ups and research scholars
6	How do you rate the value added courses offered you in the curriculum in developing disposition in your career ?	We are Taking efforts for introducing new value added courses.
7	How do you rate the relevance of the curriculum in carrier orientation?	Apart from subject knowledge provide them some additional inputs and Ideas and concepts which were suitable to them work hands-on in the industry relevant practical experience and also internship work/project work.

Table 3: Faculty Feedback and Action Taken Report

S.NO	FEEDBACK	ACTION TAKEN
1	How do you rate the coverage of the curriculum in catering to your professional needs?	Through the centre for faculty development technical and refresher courses / STDP /FDTP were organized at the beginning of each semesters
2	How do you rate the relevance of the courses in the curriculum in helping students to attain the expected program outcomes?	Want to conduct Hands on Training for Academic Enhancement (Software, simulation etc.)
3	How do you rate the relevance of the curriculum in relation to latest technology or emerging trends in the industry?	Workshops and Hands Training Shall be given to improve the skills.
4	How do you rate the relevance of value added courses offered to the students in the curriculum?	Value added courses/Workshops /Seminars related to soft skills shall be arranged to equip students to meet the industrial needs.
5	How do you rate the facilities for delivering the course contents effectively?	With recommendations of the faculty members new books are to be purchased in library.
6	How do you rate the relevance of courses in curriculum in making students employable?	Offering value added courses enhancing employability opportunities and entrepreneurship.
7	How do you rate the usefulness of training given to you for effective teaching?	Various Expert sessions as per per the requirement of faculty on recent trends are to be conducted.
