<b>15.Multidisciplinary / interdisciplinary</b>	

Being an affiliated college, our course structure and the content for pedagogical transaction is designed by the parent university as per the AICTE/UGC guidelines. Our top leadership is carving out the way for the fruitful implementation of multidisciplinary and interdisciplinary education which will definitely enable our students to develop the skills required in 21st century. While we will get more clarity in coming months on how the multidisciplinary and interdisciplinary approach to education being proposed in the policy shape up, we welcome the change and ready to implement in our college.

#### **16.Academic bank of credits (ABC):**

Recently Honorable Chairman, AICTE convened a meeting with all the VC's of various universities to carve out, the roadmap for the implementation of NEP-2020. while we get more clarity in the coming months on how the academic bank of credits being proposed in the policy shape up, we welcome the change in the mindset of policy makers, which should help to create a framework for the country to take advantage of its demographical dividend. the vice chancellors have issued communiques to all the principals of affiliating colleges for the smooth implementation of NEP-2020. Hopefully, we are expecting that this historic policy on education will yield positive results and too have pulled our socks to ensure its effective implementation.

#### **17.Skill development:**

keeping in view the growing demand of Skilled work force in both public and private sector, Higher education institutions are framing their curriculum accordingly. from past few years, educationists have introduced many skill oriented courses in the curriculum. Need of the hour is to produce young generation obtaining degrees in their choice of subjects and additional skill course that will help them to start their own entrepreneurship after leaving the college. in this way a graduate from the college will become a job provider than a job seeker. our college adopted the same vision and followed the curriculum of parent university in later and spirit. Apart from usual skill curriculum from parent university, our college signed MOU with one of the training partner of VIBA, namely iGyan pvt. Ltd. Said training partner is providing training to our students in Technical Skills and Website Designing, Social Media content writing.

#### **18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)**

currently the college ensures appropriate integration of Indian knowledge system by offering MIL( Modern Indian Languages) and core courses as per CBCS scheme set up by parent university. Subjects like Constitution of India, Gender Sensitization, Professional Ethics, Environmental Science are also offered in order to inculcate sense of national integration, love for art, culture and civic sense among the student community. whereas the subject sociology taken by our students reflects the socioculture setup of Indian society. Teaching these courses through online mode during COVID pandemic was offered smoothly by the college. infrastructure is available in the college to offer these courses through online mode when need arises.

#### **19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):**

Our college offers 5 programmes with 7 number of courses. programmes include B.Tech CSE, CSE(AI & ML), CSE(DS),ECE, M.Tech ECE ,CSE, MBA. After completion of their choice of programme, a student is expected to have: 1. Social, Historical, Economical, ideological and philosophical tradition and thinking. 2. The programmes also empowers the graduates to appear in various competitive examinations or go for higher studies of their choice. 3. Ignited minds, enough to think and act over solution of various issues prevailing in the human life to make this world a better place to live. 4. To develop scientific temper and approach among science students. 5. Qualities of science observation, precision, analytical mind, logical thinking, clarity of thought and expression, systematic approach, qualitative and quantitative decision making. 6. Trains the learners to extract information, formulate and solve problems in a systematic and logical manner. 7. MBA graduates should be able to obtain basic knowledge and skills for doing business and viable activities of their choice. 8. All the programmes also empowers the graduates to appear for various competitive exams or choose a profession of their choice. 9. MBA Graduates also acquires knowledge in the field of management accounting, corporate accounting, statistical and mathematical techniques and related business laws.

#### **20.Distance education/online education:**

Some renowned institutions like IBM, Microsoft, Infosys, TASK, etc., in our country are offering quality education through distance mode in UG/PG courses. Our college has offered full support in their endeavor to provide education at the doorsteps of people living in far flung areas like ours. Our college is having 14 Functional MOUs. our college is conducting contact

classes and is providing information of enrolled students to their respective centers. During COVID pandemic our college switched over to virtual mode of teaching through various applications viz ZOOM, Google Classroom, WhatsApp etc. Once the NEP is implemented in TELANGANA STATE, we will ensure smooth transaction of distance and online education as recommended by the policy framers of NEP-2020.

## 1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

Institute has provision of various committee activities which contribute to sensitizing students towards cross-cutting issues like Gender, Environmental Sustainability, Human Values and Professional Ethics.

Gender-related issues are addressed directly or indirectly in courses like Gender sensitization and Environmental Studies. Modules on Gender bias, sexual and reproductive rights, the rights to equality and non-discrimination, women entrepreneurship are discussed in these courses.

Students have a compulsory course on Environmental Science. The objective of these courses is to create environmental awareness among students by emphasizing on the concerns like renewable & non-renewable energy sources, ecosystems, bio-diversity and its conservation. The environmental aspects like global warming, waste

disposal and pollution are also covered through case studies. The institute is also proactive in sensitizing students towards environmental issues through Guest Lectures/Industrial Visits and E -Waste collection.

Apart from professional progression, students need to be trained to become responsible for the society in which they live. Gender equality, Conservation of environment and sustainability, Human Values and Professional Ethics are courses that help prepare students for a life of social responsibility. JNTUH has duly introduced these courses into its curriculum and the institute is promoting their effective delivery.

## 2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

1. Encouraging and supporting Slow learners The faculty mentors constantly monitor the individual needs of the student concerned. This mechanism has certainly helped in improving their overall performance. This is reflected in their classroom performance as well as in the semester examination results. Individual care and counselling is also provided to the concerned student/s. Peer groups are formed to encourage slow learners to achieve better results. Each class of students are divided in the ratio of 1:3, where each peer group consists of 3 members, one above average, one average and one below average student. They are attached with their respective subject teacher and they communicate through Whatsapp and Telegram groups. The slow learners are given more practice sessions and exercises to work on in the class as well as at home.

2. Encouraging Advanced Learners Advanced Tutorial classes: When remedial classes are conducted for slow learners, tutorials are conducted for advanced learners. Internship: Students are offered internships through campus recruitment. In addition, the advanced learners, from III to V semesters, are encouraged to take up internships in their semester break.

**Hackathons:** The Institution encourages students to participate in Hackathons / Design contests. Enrollment in MOOCS/CISCO/NPTEL certification programs.

## 2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

**Interactive Learning: Design Thinking:** The students are encouraged for field visits to enhance their analytical skills, design thinking and creativity. **Project Based Learning:** Every subject teacher assigns a project to the students and guide them in the implementation of the project, which enables a student think critically to solve real world problems. **Online Lectures:** Students are exposed to various cutting-edge technologies and online lectures are conducted regularly by subject experts from various reputed institutes and universities like NITs, IITs, IIITs and other countries too. **Experiential learning:** From the first year itself, students are exposed to all the laboratories such as physics, chemistry and English. Later from their second year, students attend core department labs which give different levels of exposure. **Mini projects:** To enhance the practical knowledge & innovative approach, students are encouraged to carry out Mini projects from III year. Personal attention will be paid on each team member.

**Debates:** Debates are conducted in many of the subjects in which students are required to come prepared with different opinions &

thought processes. Thus, the learning process gets justified in the argument mode of learning. Case studies: Theoretical knowledge and extensive practical knowledge through case studies is obtained by the students.

## 2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The performance of a student in each subject is evaluated through CIE (Continuous Internal Evaluation) for 25 marks.

During every semester, two mid-term examinations are conducted, where each mid-term examination consists of descriptive paper of 10 marks and objective paper of 10 marks along with an assignment of 5 marks. The average of the two mid-term examinations shall be taken as the final marks secured by each student in Continuous Internal Evaluation. In case of genuine absenteeism of a student, the university gives an opportunity for a Computer Based Test (CBT) of 25 marks.

For practical subjects, a continuous internal evaluation scheme is followed during the entire semester for 25 marks. For Final year students, there shall be a technical seminar presentation in IV year I semester.

Project work is carried out during IV Year II Semester. The

project will be evaluated for 100 marks. The student has to select any problem for which he/she can come out with a solution and submit the project work report at the end of the semester.

The external examiner from the affiliated university shall evaluate the project work for 75 marks and the internal project supervisor shall evaluate it for 25 marks.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

Grievances pertaining to application form & Hall ticket, late application form filing, non-receipt of admitcard of examinations or wrong entries in the Hall ticket are communicated to University Examination Section and are resolved at the earliest. College Exam Branch staff help the student for filing the application form. If there are any grievances regarding question papers of any subject during External Examinations, College instantly reports to University Examination Section. Grievances regarding question paper include questions asked out of syllabus, data given in question is insufficient, typing errors, etc. Committee at University takes cognizance and resolves the grievance. For any grievances after the results are declared, students have to contact Examination Branch, where an application is sent to university for revaluation and recounting of marks etc. If student is not satisfied by Revaluation/ Recounting, student can request for Challenge Valuation (CV) which has to be applied along with relevant Xerox copies of recounting/revaluation result to the University through the college principal. There will be no Challenge Valuation for Lab Marks.

## 2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

**Process of Dissemination among stake holders: Management:** Dissemination of Pos and PSOs in College Advisory Committee.  
**Staff:** Staff orientation programs are conducted in which department's POs and PSOs are explained to newly joined staff members.  
**Students:** Orientation programs and awareness workshops are conducted for the students to make them aware of the department's POs and PSOs.  
**Alumni:** Information is given to alumni members during alumni meetings organized every year by the college.  
**Parents:** Parents are explained about department's POs and PSOs during induction programs organized at the time of joining their children in the college. POs and PSOs are also explained to them during parent teacher meetings.  
**Industry/Employer:** Whenever personnel from Industries visit our campus for recruitment of the students, they are asked to go through the department Newsletters and Magazines.  
**Publication of Program Outcomes(POs) and Program Specific Outcomes (PSOs):** They are displayed in the form of display boards in the Notice Boards, HoD Cabins, Staff Rooms Laboratories, and Corridors. They are published in the department newsletters, magazines and also in college website which can be seen by all stakeholders. They are printed in the laboratory manuals which are made available to all the students.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

**PO Assessment Tools: (A). Direct Methods:** Display the students' knowledge and skills from their performance in the MID Examinations, Lab Examinations, End-Semester Examinations, Presentations and classroom assignments etc. These methods provide a sampling of what students know and/or can do and provide strong evidence of students learning. Direct Assessment of POs for a course is obtained by mapping the average value of Course Outcomes attainment with the mapping of the target or expected POs for the particular course. **(B). Indirect Methods:** Preparations are gathered to know how well students are achieving/ achieved a learning

outcome. The Program Assessment Committee assesses opinions, thoughts about the graduate knowledge and skills. As it is a complex process, the percentage of attainment is kept at low percentage. The indirect component of PO contribution is obtained from different survey Graduate Exit Survey Alumni Survey Employer Survey

Direct attainment level of a Pos & PSOs is determined by taking average across all courses addressing that POs and/or PSOs. Indirect attainment level of POs & PSOs is determined based on the student exit surveys, employer surveys, co-curricular activities, extracurricular activities etc.

### 3.4 - Extension Activities

3.4.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

To fulfill social responsibility, the institution extends research culture through the college neighborhood network. Environmental and sustainability issues are addressed in the curriculum through courses such as Environmental Studies. Students are encouraged to work on innovative projects that address social issues while also meeting basic needs through academic projects. The NSS unit has participated in a variety of activities which in turn benefit the society and the people. We have a National Service Unit (NSS) with 100 energetic volunteers who are really eager to participate in any Service Activity. To enhance the importance of digitization and voters, Vaagdevi Engineering College, National Cadet Corps has conducted Digital India, Usage of Swadeshi products and Voters Day Awareness programs and several other awareness programs in and out of Bollikunta village. First-aid kits and Food distribution in Orphanages, Blind Schools has become a regular activity. Good number of Blood and Organ donation camps were also held by the NSS wing. The activities are authorized by collaborating with Indian Medical Association, Lions Club, Indian Red Cross Society.

Students take part in a variety of socially conscious activities such as tree planting, yoga, water conservation rally, and a seminar on gender issues.

## INFRASTRUCTURE AND LEARNING RESOURCES

### 4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

The Institute offers a good academic and technical infrastructure. The Institute contains large, spacious, and well-maintained classrooms to accommodate sufficient number of students to be seated comfortably. And for the teachers to move around the rooms freely. The classrooms can easily accommodate ninety plus students. The Institute has improved the teaching-learning process with immediate aids by successfully creating 46 Technology-Enabled Classrooms. The college has laboratories for all the UG and PG programmes. The laboratories are well-equipped with latest equipment. Besides this, a standby power generator 125 KVA, 125KVA & 320KVA of 3 generators is available in the campus to take care of the occasional power shut down due to maintenance. The campus has ramps at each block to facilitate the physically challenged persons to move by the wheelchair, without any difficulty. 15 buses are being operated for both staff and students, which cover most of the areas in and around Warangal to reach college on time. Additionally, Department Libraries, Drawing Halls, HOD and Faculty Cabins, and rest rooms have been provided by the institution to create a pleasant working environment for the faculty.

4.1.2 - The Institution has adequate facilities for cultural activities, sports, games (indoor, outdoor), gymnasium, yoga centre etc.

The institute provides facilities for various games including Cricket, Basketball, Volleyball, ThrowBall and Badminton. Cricket ground, besides spacious playfields and Courts for outdoor games ensure the focus of the institute in providing extra-curricular activities to the students. The ground expands to 40,468.6sq.m. We also have facilities for indoor games such as Chess, Carroms, and Table Tennis etc.

Institute celebrates International Yoga Day every year on 21st June. Yoga is essentially a spiritual discipline that youngsters

need today. Practicing yoga might improve quality of life; reduce stress; lower heart rate and blood pressure; help relieve anxiety, depression, and insomnia; and improve overall physical fitness, strength, and flexibility.

Every year, College has a vibrant celebration called VAAGTARANG Cultural Fest - Cultural Day. The main aim of the institution is to encourage the students' multi-talents in various aspects, apart from academics. Cultural Theme is given to the students every year and the students give life to the theme through their excellent performance. During the cultural festival, talents of the students are displayed through on-stage and off-stage events like Solo Dance, Group Dance, Solo Singing, Group Singing, Mime, Essay Writing, Vegetable Carving, Rangoli etc.

## 4.2 - Library as a Learning Resource

### 4.2.1 - Library is automated using Integrated Library Management System (ILMS)

We have introduced the EduSys software developed locally, customized to meet the needs of the library for this academic year. We have also used CAMS library from the year 2016-17, which has been successfully utilized by the clientele.. The software has been developed using the ASP.NET. Later during the year 2017-2018, we have extended the automated services to the Circulation Section successfully, and developed OPAC for the users. We have also used SKOLO, to meet the requirements of the library. As far as automation is concerned, we could do it partially, and efforts are on to fully automate the library. Up until the year 2015-2016, the library was maintained manually. We are proud to say that we have also established a Digital Library in the year 2018 with adequate Systems in a separate Hall to provide access to Internet E-Resources. Furthermore, Library ensures relevant books are made available as per the changes in the curriculum. Library is also available beyond the working hours of the college for the benefit of students.

#### 4.3 - IT Infrastructure

##### 4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

To illustrate the improvement in the quality, our institution had 20% ICT classrooms in the year 2016. And as of now, we have 90% of classrooms turned into the ICT class rooms with round the clock internet facility.

Speaking of the internet facility, earlier we used internet speed of 84 Mbps in the year 2016, and this has now gone up to the use of 300 Mbps speed to facilitate the students to access very fast internet very easily.

This is open to students at all times during the college hours as well as after college hours up to 7.30 PM in the night. Wi-Fi connectivity is provided in the administrative and academic areas. All departments, staff rooms and offices are provided with internet facilities for the convenience of students, faculty and office staff. Furthermore, a separate team with in-house staff takes care of the IT related needs of the campus such as hardware and networking. LCD Projector, Printers and Scanners are available for staff to effectively fulfil their academic requirement. Adequate number of class rooms & seminar halls are equipped with LCD projectors and are used to deliver video clips and PPT presentations as on required basis.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

Regular maintenance of electrical, plumbing, housekeeping, transport and infrastructure in the entire college is supervised by the Administrator & Manager. A team of 15 women supervised by administrative staff regularly ensures the cleanliness and maintenance of the college. The roads, common places, faculty and class rooms, laboratories, research centres are cleaned daily and mopping is done periodically. To improve the physical ambience of the campus, several following initiatives are taken from time to time.

Vaagdevi Engineering(VEC) campus has fire extinguishers in each building and department.

Sports in the institution play a central role in preparing the students to be psychologically and physically strong to face adversaries with a competitive spirit. Hence, all the courts and the sports ground on the whole are kept clean at all times. As mentioned earlier, dust bins are kept everywhere to avoid any dirt being thrown in the sports area or on the campus.

Transport support facility is available to all and free bus facility is provided to faculty. Free bus facility is provided to poor and merit students for the purpose of appreciation and encouragement. Buses are washed regularly and kept hygienic at all

times.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms )

Institute promotes candidature of students on academic and administrative bodies. An active Student Council comprises members to monitor Cultural, Technical, Sports and Literary events, Anti ragging & Gender sensitization programmes, NSS activities and Alumni meet in college. Council members along with association and committee members take active roles in conducting College Annual day, technical seminars such as Shreshtah, Sports day, traditional day and national festivals. A Student Council is a representative structure through which students in the college get involved in the affairs of the college for the benefit of the college and all students.

The college establishes and maintains procedures for the purpose of informing about the activities in the college. The college encourages students to set up a Student Council and assists it as per requirements. The college draws up rules for the establishment of a Student Council, selection of members and the dissolution of the council. The college has a role in arranging meetings of the student council. The Management gives active support to the student council and assists the Council in drawing up a constitution and in planning and organizing its activities.

### GOVERNANCE, LEADERSHIP AND MANAGEMENT

#### 6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The Academic Head of the institution is the Principal, who is aided by the Heads of the Departments, The Finance Officer, Section Heads, and the Chairpersons of other committees. The College is governed by the Internal Quality Assurance Cell (IQAC), Planning & Development, Academic Section, Examination Branch, Research and Development (R&D), Mentoring, Training and Placement (T&P) Cell, and Other Sections. Academics, Research, Innovation and Entrepreneurship, and Social Responsibility with an International Vision are among the Institute's Policies, Strategies, Resources, and Quality Assurance.

Faculty member's views and opinions are crucial in finalising teaching methodology for different courses though it is basic courses/core courses/electives, maintenance of academic standards, and welfare measures meant for student welfare. We are conscious of the role of representation of our students and alumni members in IQAC so that their views are taken into consideration wherever deemed to be desirable for implementation.

The faculty members at the departmental level are members in several Committees/bodies. The decisions/resolutions made in those Committees have direct bearing in the governance of the College. The academic council, Board of Governors view those decisions with due respect and generally approve for implementation.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The Institute has decentralized its operations and has delegated authority at various levels to ensure good governance. In-charge of Internal Quality Assurance Cell (IQAC) monitors and streamlines Academic Quality initiatives like academic audit process and faculty performance appraisals. • Structured delegation of authority & responsibilities are entrusted to faculty through regular staff meetings to encourage the academic leadership among the faculty within subject disciplines. Faculty are involved to participate through committees to manifest their administrative skills with professional responsibility and accountability and also guide student committee members to learn their leadership qualities. This ensures their acumen in decision-making with regard to organizing academic, administrative, cocurricular and extra-curricular activities conducted in the course of the academic year.

Proposals for procuring required new lab equipment prepared by subject teachers in consultation with technical staff are submitted to HOD. These are reviewed, ratified and recommended in Department Academic Committee in terms of requirement, comparative statements of quotations and budget allocations. Principal approves and facilitates the procurement of Lab equipment and any other infrastructure relevant items through purchase committee. HoDs look after receipt of equipment and their installation.

### 6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

The institute assesses faculty through a well structured appraisal system: At the end of semester, faculties are evaluated for their performance. Faculty submit duly filled in form with relevant documents and evidences to their Reporting officers. Self-

appraisal score is further verified and finalized by the Reporting Officer. Performance appraisal system is implemented as per the guidelines from UGC. The appraisal report of the faculty is submitted to the Principal through the respective heads of the departments. Student feedback is taken on an annual basis and staff members are given a summarized report of the feedback. Staff members meet the Principal along with the HOD and necessary corrective measures are discussed. Feedback is taken from the parents during the tutor-mentor meetings through Parents Feedback Form. The feedback is examined and a report is compiled for observation. On the basis of the report suitable changes are made in the College. The Faculty appraisal taken periodically gives details of the academic growth of the faculty. The process is designed to foster individual development and identify opportunities for additional support wherever required

## 7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

### Practice 1: TECHNO CULTURAL FEST

Techno cultural fest is an annual technical and cultural festival which serves as a platform to emerging and latent talents in the cultural and technical domain. It is a long carnival and one of its kinds in the region which became increasingly popular with every succeeding year. Cultural and technical arena being open for all, along with peak entertainment.

### Practice.2: MENTORING SYSTEM FOR STUDENTS

Students face various forms of stress - personal, academic, physical, mental etc., Considering that students are new to professional college life, it creates a lot of stress, especially to hostel students who are away from their family for the first time. Students from educationally weak background feel inferior, hesitate in class and are unable to perform well due to inhibitions. Statistics reveal increase in number of suicides and dropouts. Considering the student-teacher ratio in classrooms, at times it is difficult to give individual attention to students in the class. One solution therefore is a 'Mentor' who can develop a

bond with students in true sense. Mentoring is required for students to achieve emotional stability and to promote clarity in thinking and decision making for overall progress. s

### 7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

The main ambition of our institute is to furnish an opportunity to the rural students of this area especially the rural girl students to pursue the higher education for their development and progress of the family. This distinctiveness of supporting rural masses in achieving their dreams of leading a good quality life with purpose is unique to our institute. This initiative not only helps rural people meet their aspirations, but more importantly serves as a strong 'growth engine' for the country by tapping huge unexplored talent and energy of rural youth. Also, this distinctiveness is in sync with the institute's Vision and Mission of serving rural community through engineering education. Recently our college conducted "Agri conclave Finale" field trip to get the statements of farmer problems. During the trip students visited three villages viz., Ramachandrapuram, Gavicharla and Ashalapally to identify the problems faced by farmers in their fields. In this programme students had face to face interaction with farmers and visited various crops in fields. .

Field trips are especially attracting the rural students to create technical solution to the problems that are being faced by their parents in the agriculture.

## Part B

### CURRICULAR ASPECTS

#### 1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The curriculum designing framework and credits are assigned for the curricular components based on AICTE, JNTUH institutions. Choice Based Credit System (CBCS) regulations and standards of Credit Distribution of higher level institution from INDIA. There will be an official meeting conducted by the Principal before the commencement of academic year. As the process of information given, a formal notice will be issued to all the students about the commencement of academic sessions. There will be an experienced class teacher assigned for each class. The preparation of teaching plan for every respective subject will be prepared by the respective subject teacher and will be verified and approved by the HOD. The concept of flexibility will be maintained in the teaching plan for any future changes or updates. As per the university norms and rules the examinations are conducted.

The scheduled time tables or information are displayed well in advance in the examinations main notice board, department notice board. The exams are conducted in a strict way to avoid any malpractice. As per the university norms and guidelines the college will do an internal evaluation. The result analysis, examination records and any other official information are maintained for documentation and reference purposes.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The main objective of the academic calendar is to keep students, faculty, and staff reminded of key dates throughout the academic semester and year. It can also be useful for prospective students and faculty 1. Dates & Days of course

material submission 2. Departmental staff meeting 3. Tentative dates for university practical and theoretical exams. The approved academic calendar will be displayed in the department notice, main notice board and in the university website. If any changes/updates in the academic calendar the same will be communicated to the students. All the faculties & students should strictly follow the academic calendar. The Institution adhere to the academic calendar published by the University for Respective Courses. The coverage of syllabus as per the planned curriculum will be monitored by the HOD. There is a standard format which allows the teachers and the students to space out their teaching and learning assessments for this purpose. In the process of covering the syllabus if any obstacles appeared. The same will be reviewed by DRC in its meetings to take up necessary measures and suggestions. Some of the examples of obstacles are (unforeseen causes, personal reasons of the concerned teacher, understanding level of the students of a certain class etc.

### 1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

Institute has provision of various committee activities which contribute to sensitizing students towards cross-cutting issues like Gender, Environmental Sustainability, Human Values and Professional Ethics.

Gender-related issues are addressed directly or indirectly in courses like Gender sensitization and Environmental Studies. Modules on Gender bias, sexual and reproductive rights, the rights to equality and non-discrimination, women entrepreneurship are discussed in these courses.

Students have a compulsory course on Environmental Science. The objective of these courses is to create environmental awareness among students by emphasizing on the concerns like renewable & non-renewable energy sources, ecosystems, bio-diversity and its conservation. The environmental aspects like global warming, waste disposal and pollution are also covered through case studies. The institute is also proactive in sensitizing students towards environmental issues through Guest Lectures/Industrial Visits and E -Waste collection.

Apart from professional progression, students need to be trained to become responsible for the society in which they live. Gender equality, Conservation of environment and sustainability, Human Values and Professional Ethics are courses that help prepare students for a life of social responsibility. JNTUH has duly introduced these courses into its curriculum and the institute is promoting their effective delivery.

<b>2.2 - Catering to Student Diversity</b>	
2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners	
<p>1. Encouraging and supporting Slow learners The faculty mentors constantly monitor the individual needs of the student concerned. This mechanism has certainly helped in improving their overall performance. This is reflected in their classroom performance as well as in the semester examination results. Individual care and counselling is also provided to the concerned student/s. Peer groups are formed to encourage slow learners to achieve better results. Each class of students are divided in the ratio of 1:3, where each peer group consists of 3 members, one above average, one average and one below average student. They are attached with their respective subject teacher and they communicate through Whatsapp and Telegram groups. The slow learners are given more practice sessions and exercises to work on in the class as well as at home.</p> <p>2. Encouraging Advanced Learners Advanced Tutorial classes: When remedial classes are conducted for slow learners, tutorials are conducted for advanced learners. Internship: Students are offered internships through campus recruitment. In addition, the advanced learners, from III to V semesters, are encouraged to take up internships in their semester break.</p> <p>Hackathons: The Institution encourages students to participate in Hackathons / Design contests. Enrollment in MOOCS/CISCO/NPTEL certification programs.</p>

**2.3 - Teaching- Learning Process**

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

**Interactive Learning: Design Thinking:** The students are encouraged for field visits to enhance their analytical skills, design thinking and creativity. **Project Based Learning:** Every subject teacher assigns a project to the students and guide them in the implementation of the project, which enables a student think critically to solve real world problems. **Online Lectures:** Students are exposed to various cutting-edge technologies and online lectures are conducted regularly by subject experts from various reputed institutes and universities like NITs, IITs, IIITs and other countries too. **Experiential learning:** From the first year itself, students are exposed to all the laboratories such as physics, chemistry and English. Later from their second year, students attend core department labs which give different levels of exposure. **Mini projects:** To enhance the practical knowledge & innovative approach, students are encouraged to carry out Mini projects from III year. Personal attention will be paid on each team member.

**Debates:** Debates are conducted in many of the subjects in which students are required to come prepared with different opinions & thought processes. Thus, the learning process gets justified in the argument mode of learning. **Case studies:** Theoretical knowledge and extensive practical knowledge through case studies is obtained by the students.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

Teachers prepare modules and power point presentations, which can be recorded and made available for students online for future correspondence. The use of ICT by teachers in classrooms apart from enabling students to keep pace with the contemporary digital and virtual world helps in creating a student centric learning approach. Internet and Wifi facility is made available to all faculty and students free of cost. E-mails, WhatsApp group, Zoom, MS-Teams, Edusys and Google classrooms are used as platforms to communicate, provide material and syllabus, make announcements, conduct tests, upload assignments, make presentations, address queries, mentoring and to share necessary information. Every faculty can upload students' attendance, internal assessment marks, Question bank and notes with respect to each and every subject. ICT Tools like Projectors, Smart Boards, Desktop and Laptops are arranged at Computer Labs and Faculty cabins, where ever required all over the campus. Printers and scanners are installed at Labs, HOD Cabins. Auditorium is digitally equipped with mike, projector, cameras and computer system. MOOC Platforms like NPTEL, Coursera, Udemy, Digital Library resources like DEL NET are also made available.

**2.5 - Evaluation Process and Reforms**

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The performance of a student in each subject is evaluated through CIE (Continuous Internal Evaluation) for 25 marks.

During every semester, two mid-term examinations are conducted, where each mid-term examination consists of descriptive paper of 10 marks and objective paper of 10 marks along with an assignment of 5 marks. The average of the two mid-term examinations shall be taken as the final marks secured by each student in Continuous Internal Evaluation. In case of genuine absenteeism of a student, the university gives an opportunity for a Computer Based Test (CBT) of 25 marks.

For practical subjects, a continuous internal evaluation scheme is followed during the entire semester for 25 marks. For Final year students, there shall be a technical seminar presentation in IV year I semester.

Project work is carried out during IV Year II Semester. The project will be evaluated for 100 marks. The student has to select any problem for which he/she can come out with a solution and submit the project work report at the end of the semester.

The external examiner from the affiliated university shall evaluate the project work for 75 marks and the internal project supervisor shall evaluate it for 25 marks.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

Grievances pertaining to application form & Hall ticket, late application form filing, non-receipt of admitcard of examinations or wrong entries in the Hall ticket are communicated to University Examination Section and are resolved at the earliest. College Exam Branch staff help the student for filing the application form. If there are any grievances regarding question papers of any subject during External Examinations, College instantly reports to University Examination Section. Grievances regarding question paper include questions asked out of syllabus, data given in question is insufficient, typing errors, etc. Committee at University takes cognizance and resolves the grievance. For any grievances after the results are declared, students have to contact Examination Branch, where an application is sent to university for revaluation and recounting of marks etc. If student is not satisfied by Revaluation/ Recounting, student can request for Challenge Valuation (CV) which has to be applied along with relevant Xerox copies of recounting/revaluation result to the University through the college principal. There will be no Challenge Valuation for Lab Marks.

## 2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

**Process of Dissemination among stake holders: Management:** Dissemination of Pos and PSOs in College Advisory Committee.  
**Staff:** Staff orientation programs are conducted in which department's POs and PSOs are explained to newly joined staff

members. Students: Orientation programs and awareness workshops are conducted for the students to make them aware of the department's POs and PSOs. Alumni: Information is given to alumni members during alumni meetings organized every year by the college. Parents: Parents are explained about department's POs and PSOs during induction programs organized at the time of joining their children in the college. POs and PSOs are also explained to them during parent teacher meetings.

Industry/Employer: Whenever personnel from Industries visit our campus for recruitment of the students, they are asked to go through the department Newsletters and Magazines. Publication of Program Outcomes (POs) and Program Specific Outcomes (PSOs): They are displayed in the form of display boards in the Notice Boards, HoD Cabins, Staff Rooms Laboratories, and Corridors. They are published in the department newsletters, magazines and also in college website which can be seen by all stakeholders. They are printed in the laboratory manuals which are made available to all the students.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

PO Assessment Tools: (A). Direct Methods: Display the students' knowledge and skills from their performance in the MID Examinations, Lab Examinations, End-Semester Examinations, Presentations and classroom assignments etc. These methods provide a sampling of what students know and/or can do and provide strong evidence of students learning. Direct Assessment of POs for a course is obtained by mapping the average value of Course Outcomes attainment with the mapping of the target or expected POs for the particular course. (B). Indirect Methods: Preparations are gathered to know how well students are achieving/ achieved a learning outcome. The Program Assessment Committee assesses opinions, thoughts about the graduate knowledge and skills. As it is a complex process, the percentage of attainment is kept at low percentage. The indirect component

of PO contribution is obtained from different survey Graduate Exit Survey Alumni Survey Employer Survey

Direct attainment level of a Pos & PSOs is determined by taking average across all courses addressing that POs and/or PSOs. Indirect attainment level of POs & PSOs is determined based on the student exit surveys, employer surveys, co-curricular activities, extracurricular activities etc.

<b>3.4 - Extension Activities</b>	
3.4.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year	
<p>To fulfill social responsibility, the institution extends research culture through the college neighborhood network. Environmental and sustainability issues are addressed in the curriculum through courses such as Environmental Studies. Students are encouraged to work on innovative projects that address social issues while also meeting basic needs through academic projects. The NSS unit has participated in a variety of activities which in turn benefit the society and the people. We have a National Service Unit (NSS) with 100 energetic volunteers who are really eager to participate in any Service Activity. To enhance the importance of digitization and voters, Vaagdevi Engineering College, National Cadet Corps has conducted Digital India, Usage of Swadeshi products and Voters Day Awareness programs and several other awareness programs in and out of Bollikunta village. First-aid kits and Food distribution in Orphanages, Blind Schools has become a regular activity. Good number of Blood and Organ donation camps were also held by the NSS wing. The activities are authorized by collaborating with Indian Medical Association, Lions Club, Indian Red Cross Society.</p> <p>Students take part in a variety of socially conscious activities such as tree planting, yoga, water conservation rally, and a seminar on gender issues.</p>

## INFRASTRUCTURE AND LEARNING RESOURCES

### 4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

The Institute offers a good academic and technical infrastructure. The Institute contains large, spacious, and well-maintained classrooms to accommodate sufficient number of students to be seated comfortably. And for the teachers to move around the rooms freely. The classrooms can easily accommodate ninety plus students. The Institute has improved the teaching-learning process with immediate aids by successfully creating 46 Technology-Enabled Classrooms. The college has laboratories for all the UG and PG programmes. The laboratories are well-equipped with latest equipment. Besides this, a standby power generator 125 KVA, 125KVA & 320KVA of 3 generators is available in the campus to take care of the occasional power shut down due to maintenance. The campus has ramps at each block to facilitate the physically challenged persons to move by the wheelchair, without any difficulty. 15 buses are being operated for both staff and students, which cover most of the areas in and around Warangal to reach college on time. Additionally, Department Libraries, Drawing Halls, HOD and Faculty Cabins, and rest rooms have been provided by the institution to create a pleasant working environment for the faculty.

4.1.2 - The Institution has adequate facilities for cultural activities, sports, games (indoor, outdoor), gymnasium, yoga centre etc.

The institute provides facilities for various games including Cricket, Basketball, Volleyball, ThrowBall and Badminton. Cricket ground, besides spacious playfields and Courts for outdoor games ensure the focus of the institute in providing extra-curricular activities to the students. The ground expands to 40,468.6sq.m. We also have facilities for indoor games such as Chess, Carroms, and Table Tennis etc.

Institute celebrates International Yoga Day every year on 21st

June. Yoga is essentially a spiritual discipline that youngsters need today. Practicing yoga might improve quality of life; reduce stress; lower heart rate and blood pressure; help relieve anxiety, depression, and insomnia; and improve overall physical fitness, strength, and flexibility.

Every year, College has a vibrant celebration called VAAGTARANG Cultural Fest - Cultural Day. The main aim of the institution is to encourage the students' multi-talents in various aspects, apart from academics. Cultural Theme is given to the students every year and the students give life to the theme through their excellent performance. During the cultural festival, talents of the students are displayed through on-stage and off-stage events like Solo Dance, Group Dance, Solo Singing, Group Singing, Mime, Essay Writing, Vegetable Carving, Rangoli etc.

## 4.2 - Library as a Learning Resource

### 4.2.1 - Library is automated using Integrated Library Management System (ILMS)

We have introduced the EduSys software developed locally, customized to meet the needs of the library for this academic year. We have also used CAMS library from the year 2016-17, which has been successfully utilized by the clientele.. The software has been developed using the ASP.NET. Later during the year 2017-2018, we have extended the automated services to the Circulation Section successfully, and developed OPAC for the users. We have also used SKOLO, to meet the requirements of the library. As far as automation is concerned, we could do it partially, and efforts are on to fully automate the library. Up until the year 2015-2016, the library was maintained manually. We are proud to say that we have also established a Digital Library in the year 2018 with adequate Systems in a separate Hall to provide access to Internet E-Resources. Furthermore, Library ensures relevant books are made available as per the changes in the curriculum. Library is also available beyond the working hours of the college for the benefit of students.

#### 4.3 - IT Infrastructure

##### 4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

To illustrate the improvement in the quality, our institution had 20% ICT classrooms in the year 2016. And as of now, we have 90% of classrooms turned into the ICT class rooms with round the clock internet facility.

Speaking of the internet facility, earlier we used internet speed of 84 Mbps in the year 2016, and this has now gone up to the use of 300 Mbps speed to facilitate the students to access very fast internet very easily.

This is open to students at all times during the college hours as well as after college hours up to 7.30 PM in the night. Wi-Fi connectivity is provided in the administrative and academic areas. All departments, staff rooms and offices are provided with internet facilities for the convenience of students, faculty and office staff. Furthermore, a separate team with in-house staff takes care of the IT related needs of the campus such as hardware and networking. LCD Projector, Printers and Scanners are available for staff to effectively fulfil their academic requirement. Adequate number of class rooms & seminar halls are equipped with LCD projectors and are used to deliver video clips and PPT presentations as on required basis.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

Regular maintenance of electrical, plumbing, housekeeping, transport and infrastructure in the entire college is supervised by the Administrator & Manager. A team of 15 women supervised by administrative staff regularly ensures the cleanliness and maintenance of the college. The roads, common places, faculty and class rooms, laboratories, research centres are cleaned daily and mopping is done periodically. To improve the physical ambience of the campus, several following initiatives are taken from time to time.

Vaagdevi Engineering(VEC) campus has fire extinguishers in each building and department.

Sports in the institution play a central role in preparing the students to be psychologically and physically strong to face adversaries with a competitive spirit. Hence, all the courts and the sports ground on the whole are kept clean at all times. As mentioned earlier, dust bins are kept everywhere to avoid any dirt being thrown in the sports area or on the campus.

Transport support facility is available to all and free bus facility is provided to faculty. Free bus facility is provided to poor and merit students for the purpose of appreciation and

encouragement. Buses are washed regularly and kept hygienic at all times.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms )

Institute promotes candidature of students on academic and administrative bodies. An active Student Council comprises members to monitor Cultural, Technical, Sports and Literary events, Anti ragging & Gender sensitization programmes, NSS activities and Alumni meet in college. Council members along with association and committee members take active roles in conducting College Annual day, technical seminars such as Shreshtah, Sports day, traditional day and national festivals. A Student Council is a representative structure through which students in the college get involved in the affairs of the college for the benefit of the college and all students.

The college establishes and maintains procedures for the purpose of informing about the activities in the college. The college encourages students to set up a Student Council and assists it as per requirements. The college draws up rules for the establishment of a Student Council, selection of members and the dissolution of the council. The college has a role in arranging meetings of the student council. The Management gives active support to the student council and assists the Council in drawing up a constitution and in planning and organizing its activities.

### 5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

The concept of Alumni association had evolved for the needs from both the ends, i.e. academicians and professionals, with the aim to bridge the gap between college life and career life so that the fresher graduates are made proactive to face the current challenges of competitive professional world. Both the ends work hand-in-hand to help each other to achieve the goal. Hence, the Institution had formed the Alumni association.

To conduct periodic meetings of the committee to be updated with the industry changes To conduct training on industry practices and professional approaches by professional alumni. To felicitate the achievers. Objectives of the Alumni To provide a forum for the members of the Society for interaction. To achieve high degree of belongingness with the College and Society. To foster a feeling of brotherhood, friendship amongst the members. To enroll the members from time to time and keep them abreast with the activities of the Society and College. To provide adequate avenues to draw the knowledge of expertise alumni to further extend the vision of College to maintain good reputation in the academic, social and business world. **GOVERNANCE, LEADERSHIP AND MANAGEMENT****6.1 - Institutional Vision and Leadership**

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The Academic Head of the institution is the Principal, who is aided by the Heads of the Departments, The Finance Officer, Section Heads, and the Chairpersons of other committees. The College is governed by the Internal Quality Assurance Cell (IQAC), Planning & Development, Academic Section, Examination Branch, Research and Development (R&D), Mentoring, Training and Placement (T&P) Cell, and Other Sections. Academics, Research, Innovation and Entrepreneurship, and Social Responsibility with an International Vision are among the Institute's Policies, Strategies, Resources, and Quality Assurance.

Faculty member's views and opinions are crucial in finalising teaching methodology for different courses though it is basic courses/core courses/electives, maintenance of academic standards, and welfare measures meant for student welfare. We are conscious of the role of representation of our students and alumni members in IQAC so that their views are taken into consideration wherever deemed to be desirable for implementation.

The faculty members at the departmental level are members in several Committees/bodies. The decisions/resolutions made in those Committees have direct bearing in the governance of the College. The academic council, Board of Governors view those

decisions with due respect and generally approve for implementation.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The Institute has decentralized its operations and has delegated authority at various levels to ensure good governance. In-charge of Internal Quality Assurance Cell (IQAC) monitors and streamlines Academic Quality initiatives like academic audit process and faculty performance appraisals. • Structured delegation of authority & responsibilities are entrusted to faculty through regular staff meetings to encourage the academic leadership among the faculty within subject disciplines. Faculty are involved to participate through committees to manifest their administrative skills with professional responsibility and accountability and also guide student committee members to learn their leadership qualities. This ensures their acumen in decision-making with regard to organizing academic, administrative, cocurricular and extra-curricular activities conducted in the course of the academic year.

Proposals for procuring required new lab equipment prepared by subject teachers in consultation with technical staff are submitted to HOD. These are reviewed, ratified and recommended in Department Academic Committee in terms of requirement, comparative statements of quotations and budget allocations. Principal approves and facilitates the procurement of Lab equipment and any other infrastructure relevant items through purchase committee. HoDs look after receipt of equipment and their installation.

### 6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

The institute assesses faculty through a well structured appraisal system: At the end of semester, faculties are evaluated for their performance. Faculty submit duly filled in form with relevant documents and evidences to their Reporting officers. Self- appraisal score is further verified and finalized by the Reporting Officer. Performance appraisal system is implemented as per the guidelines from UGC. The appraisal report of the faculty is submitted to the Principal through the respective heads of the departments. Student feedback is taken on an annual basis and staff members are given a summarized report of the feedback. Staff members meet the Principal along with the HOD and necessary corrective measures are discussed. Feedback is taken from the parents during the tutor-mentor meetings through Parents Feedback Form. The feedback is examined and a report is compiled for observation. On the basis of the report suitable changes are made in the College. The Faculty appraisal taken periodically gives details of the academic growth of the faculty. The process is designed to foster individual development and identify opportunities for additional support wherever required

#### 6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

College obtains proposals from concerned departments in which all the teaching members of the department involve. College receives the needed infrastructural and other facilities required by the departments. The College allocates budget to each department and institution with minute details for both Recurring, and Non-Recurring. Purchases will be made with the recommendations of duly constituted Purchase Committee and with the approval of Secretary & correspondent. The amounts withdrawn from the banks will follow a systematic mechanism of obtaining the signatures of the AO, and Secretary & Correspondent. In this process the expenditure made will be identified whether it is budgeted expenditure, or out-of-budgeted expenditure. In case of out of budgeted expenditure, ratification is sought from the Secretary & Correspondent. Nevertheless, the main source of income in the institute is fees paid by the students/ reimbursement by the government of telangana, though, in installments. Every year in the month of September/October, College proposes the annual budget based on the admissions filled in for that academic year and as per requirements to the governing body meeting. It will be thoroughly reviewed comparing with the previous academic year budget and, modifications will be suggested and final approval of the budget will be taken.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

At the initiatives taken by the IQAC, the slow learners and advanced learners are identified and suitable steps to improve and mould them respectively are taken. To identify the slow learners, among the other steps, the students' marks in his IPE, rank in Eamcet and first mid examination marks are considered. Through result analysis and feedback taken by from the students, the performance of teachers as also the students will be critically viewed to arrive at a reasonable conclusion.

GATE questions are collected and circulated among all the teachers to go through them and, include with suitable changes in the internal/assignments. Results analysis is thoroughly done to verify the areas of weakness, and steps are taken to bridge the gaps in teaching-learning processes. Before allocating subjects to teachers, as a precaution the teachers are identified and sponsored to concerned Faculty Development Programmes to sharpen their knowledge in the domain concerned. workshops are conducted on teaching-learning processes using Bloom's Taxonomy. The faculty members are encouraged & motivated to attend the NPTEL course work and get certification to enhance their knowledge. The students are advised and encouraged and, offered certification courses useful to improve their skill and increase employability.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

The College premises has been declared as 'no plastic' zone and litter free area. Our staff if any such material is thrown and sends for natural combustion. The vegetable waste from canteen is arranged to be disposed regularly to keep the campus clean. Adequate number of trash cans and dust bins are placed all over campus. The collected waste is disposed with the help of Bollikunta Gramapanchayathi on a daily basis. The institute promotes minimal plastic usage. To sustain eco-friendly and green enabled campus, NSS programs like Swachh Bharat, Clean & Green activities and plantation in campus are regularly conducted. Awareness among the students and staff on water conservation is created. The campus is zero water discharge campus. This saves portable groundwater and supply of plant treated water by government agency. Water harvesting pits are constructed in the campus to collect rain water through pipelines and small canals. E-waste generated from various departments which cannot be reused or recycled is being disposed off centrally through certified eco-friendly vendors. Hazardous chemicals and radioactive waste management The college's organic waste is treated using cow dung and urine to help it decompose owing to the action of microorganisms.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

By offering an effective, supportive, safe, accessible, and affordable learning environment, students will be equipped with the knowledge, skills, and values needed to maintain a balance between work and life. These values are instilled in the collegiate community's value system. Students are inspired by renowned persons who participate in numerous programmes on culture, traditions, values, obligations, and responsibilities. Students are involved in awareness campaigns about the ban on plastics, cleanliness, Swachh Bharat. Every year Republic day is celebrated on 26th Jan by organizing activities highlighting the importance of Indian Constitution. Similarly constitution day is celebrated on 26th November every year. Independence day is celebrated every year to highlight struggle of freedom and

importance of Indian constitution. The college creates policies that are based on its basic beliefs. For students and employees, a code of behavior has been prepared. As a minor step toward instilling constitutional commitments among students, the affiliating University curriculum includes mandatory courses such as Professional ethics and human values and Constitution of India. Guest lectures and workshops are arranged by eminent personalities. Ethical Values, rights, duties, and responsibilities of citizens are some of the topics that are enlisted in Elocution, debates, and class presentation.

## 7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

### Practice 1: TECHNO CULTURAL FEST

Techno cultural fest is an annual technical and cultural festival which serves as a platform to emerging and latent talents in the cultural and technical domain. It is a long carnival and one of its kinds in the region which became increasingly popular with every succeeding year. Cultural and technical arena being open for all, along with peak entertainment.

### Practice.2: MENTORING SYSTEM FOR STUDENTS

Students face various forms of stress - personal, academic, physical, mental etc., Considering that students are new to professional college life, it creates a lot of stress, especially to hostel students who are away from their family for the first time. Students from educationally weak background feel inferior, hesitate in class and are unable to perform well due to inhibitions. Statistics reveal increase in number of suicides and dropouts. Considering the student-teacher ratio in classrooms, at times it is difficult to give individual attention to students in the class. One solution therefore is a 'Mentor' who can develop a bond with students in true sense. Mentoring is required for students to achieve emotional stability and to promote clarity in thinking and decision making for overall progress. s

### 7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

The main ambition of our institute is to furnish an opportunity to the rural students of this area especially the rural girl students to pursue the higher education for their development and progress of the family. This distinctiveness of supporting rural masses in achieving their dreams of leading a good quality life with purpose is unique to our institute. This initiative not only helps rural people meet their aspirations, but more importantly serves as a strong 'growth engine' for the country by tapping huge unexplored talent and energy of rural youth. Also, this distinctiveness is in sync with the institute's Vision and Mission of serving rural community through engineering education. Recently our college conducted "Agri conclave Finale" field trip to get the statements of farmer problems. During the trip students visited three villages viz., Ramachandrapuram, Gavicharla and Ashalapally to identify the problems faced by farmers in their fields. In this programme students had face to face interaction with farmers and visited various crops in fields. .

Field trips are especially attracting the rural students to create technical solution to the problems that are being faced by their parents in the agriculture.
